Bondi collection

– Picture a collision between abstract art and classic European Interior Design. Our playful creation features whimsically mismatched legs and panelled arch detailing on the front face, blurring the lines between traditional and contemporary aesthetics. Inspired by the vibrant spirit of Bondi, a popular Australian beach, this design is a bit out there, a touch loud, delightfully artistic, and unapologetically opinionated!

Bondi 1800 Double Basin
1800 Length x 560 Depth

Bondi

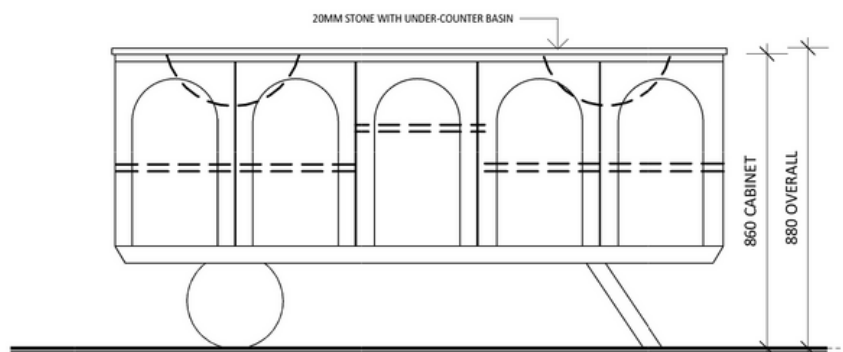

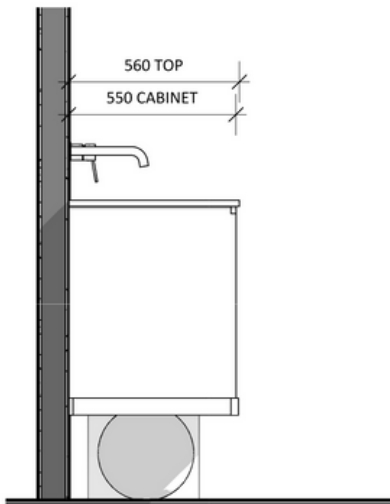

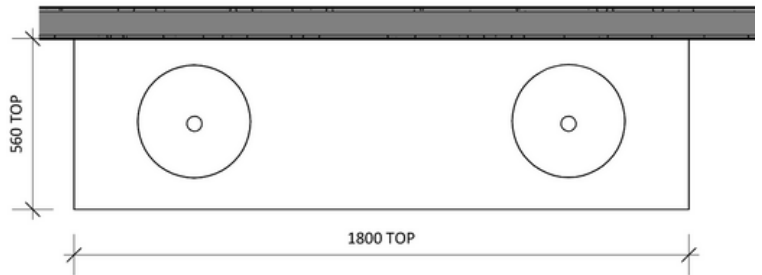

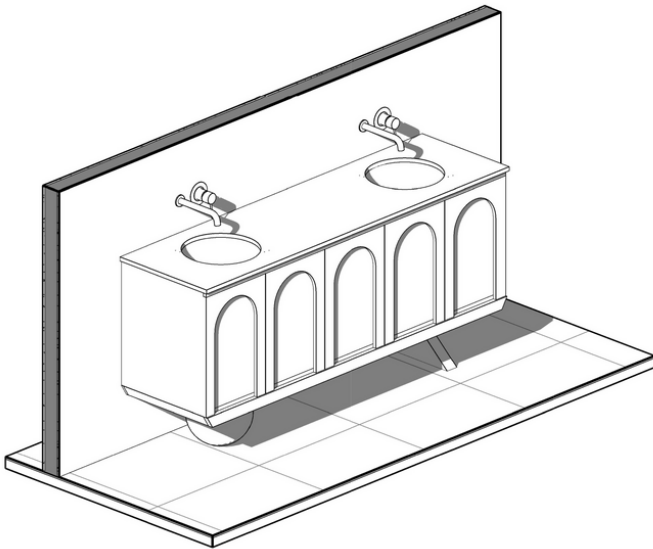

Bondi 1800 Double - 2024
